End of year pool party: Pool party will be held on June 28 from 5-7pm. We will send one more communication this week as a reminder. We will be ordering pizza from Doughboys and we discussed ordering 12-15 pizzas. Jen will make a canva image for the party to post on facebook.

8U Tournament Discussion: This matter was discussed outside of the meeting and Lindy relayed Erin's concerns to the board.

Concession Stand Improvements: A concession stand clean out date is set for 06/15 at 5:30pm. We are in need of new shingles, siding, and garage doors for the concession stand. Jen is going to reach out to S&K and Klinger Lumber to get a quote for shingles and siding. Jen also mentioned reaching out to TAPD home pros and that we could possibly post on Facebook for help doing the siding and shingles. Lindy is going to reach out to Christian Goodrich again for a garage door quote. We do have one garage door motor so we will need one more motor and two garage doors.

Fall Registration: Registration will be open from June 28-July 26. We discussed that the girls from Millersburg will be able to play for us again this fall since they do not have a fall softball league. We discussed the possibility of adding a concession stand fee into the registration. The league would cut a check back to the person who paid the concession stand fee at registration once they worked their required shift(s) for the season. We also discussed assigning shifts to individuals for the concession stand and that they would be in charge of finding someone to cover their shift if they are unable to work that date. No children under the age of 10 will be allowed in the concession stand unless they are working. Jen will be doing a canva image for the registration that we can post on Facebook.

We will have our apparel store open for the fall and will add some gold-colored apparel and will also add customization for items. The store will be open from June 28 –August 1.

We also discussed doing a non-mandatory mum fundraiser for the fall that will go toward registration costs and the fundraiser would be done through Smucker Gardens.
