

HGSL Board Meeting

8/16/26

11:00am Virtual meeting (Teams app)

Attendance: Jen Teter, Lindy Wetzel, Megan Wetzel, Kristen Dorman, Allie Sosnoski

Business from the floor: It was brought to Jen's attention that the 10U teams did not want to play a game against each other this fall, but we discussed the idea of them holding a scrimmage/practice together. Jen is going to talk to Troy Summey about the idea and see what he thinks about it.

Secretary – Meeting Minutes from 07/12/26 -Jen approved, Lindy 2nd

Treasurer's report –

Checking - \$6,807.49

Fundraising - \$12,092.73

We will pay for the garage doors once they are installed

Wix receipt & amazon receipt needed

Starlink for Concession Stand: We discussed purchasing the Starlink roam plan for the concession stand, to eliminate having to use a personal cell phone hot spot. We would be able to start and stop whenever we wanted, since there will be some months that we are not using the concession stand. The plan is \$55/month for 100g of data. Jen approved the purchase of Starlink and Lindy 2nd.

Concession Stand Upgrade Update: Jared Stratton finished the new siding on the concession stand, and the roof is also finished. The garage doors will be installed in September and we will need to paint the trim around the doors before then. We also discussed the possibility of painting the floors but will table that discussion for next month. The lights will also need to be moved in order to install the new garage doors. We discussed purchasing new LED lights and Addison will get a price on those.

Adding Comments on Spring Reg Form: We discussed the idea of adding a comment section to our spring registration for parents to add comments, requests, etc. We agreed that the comment section could be helpful but it would be up to the boards discretion if any requests would be accommodated. We decided to continue the conversation and table the discussion for next month.

Broom for Field Dragger: Addison has requested a finishing broom for the field dragger which would mount onto the same machinery. Jen will be getting a quote for this and will send a text for approval.

Refund to player for Fall Ball: Anna Valentin has decided not to play fall ball this season. We felt it was appropriate to refund her registration fee. We were in agreement to cut a check for \$25 to her mom, Jess Valentin.

Spring Fundraising Goal: New shed, dugout improvements (roof, helmet hangers, and we discussed the possibility of an art student coming to paint out logo onto the dugouts.)

Important upcoming dates:

September 4-Mum Fundraiser deadline

September 19-Mum pick-up at Smucker Gardens
